If you run without a chip you will not be included in the results or be eligible for awards. We ask that you make every effort to pre-register as this makes race day morning run more smoothly and the events to start on time. There will be a pre-registration packet pick up on Friday 8/28 from 5:30-7pm at the Carnegie, you may also register for the race at this time. Race day registration runs from 6:30-7:45am for the 5K, and until 8:45am for the 1 mile.
